Disclosure and Signature

I read the *Self-Contribution Coverage Application* and the *Self-Contribution Coverage Election Notice* and understand my rights to elect continuation coverage. I understand that payment is due upon receipt of the bill but not later than the 25th of the same month and that there is no grace period. I further understand that failure to make the necessary self-contribution payment terminates coverage. I also agree to notify Carpenters Trusts if I or any member of my family become(s) covered under another group health plan or entitled to Medicare after the date of Self-Contribution Coverage election. **Important:** Self-Contribution Coverage is provided subject to your eligibility. The plan reserves the right to terminate your coverage retroactively if the individual is determined to be ineligible for coverage. However, I may elect COBRA when Self-Contribution Coverage terminates. Total coverage under Self-Contribution Coverage and COBRA cannot exceed 18 months, or 36 months in the case of a qualified beneficiary (spouse or dependent child) who has a second qualifying event.
